

**Directions to Office From Magnolia Ave..**  
**(See other side for directions from Lexington Ave..)**

1. Turn right on Lexington if coming south down S. Magnolia Avenue. (Or Left if coming North up S. Magnolia Ave..)
2. Turn left into alley immediately after the Lexington Ave. Professional Building. It is a two story building with green trim and is the second building on left. (That's my building).
3. Turn left into the parking lot just on the other side of the building. The entrance to the courtyard is **directly in the center** of the parking lot. There is a staircase on the alley side of the building. Don't take that one.
4. After you walk into the courtyard just keep walking towards Lexington (North) and kind of straight and you will see stairs to your right. Just follow them up and I am first office. #137.

**Directions to Office From Lexington Ave.**

1. If coming east down Lexington turn right into alley immediately before the Lexington Ave.. Professional Building. It is a two story cream stucco building with green trim that fronts right on the sidewalk. (That's my building). If coming west, turn left.
2. Turn left into the parking lot just on the other side of the building. The entrance to the courtyard is **directly in the center** of the parking lot. There is a staircase on the alley side of the building. Don't take that one.
